

On-Campus Sublease Packet and Procedure 19-20

First Site has put this packet together to give you all the information you will need before deciding to sublease your part of the signed lease. In order to sublease, the apartment account must have a balance of zero. **There is a \$225.00 fee for all subleases, which is paid when all paperwork is turned in.** The lease is a joint lease and both parties will be responsible if First Site has to take legal action to collect any part of the lease. The sublessee is taking the apartment "as is" and any existing damage that the apartment will be charged for at the end of the lease term becomes the sublessee's responsibility as well. **The sublessee is accepting responsibility and agreeing to all the terms and conditions under the original lease by signing the sublease agreement form.** Since all leases are joint, all individuals on the original lease must agree to a sublease. If for some reason one or all do not want to sign the sublease agreement form; First Site cannot honor the sublease. By signing the sublease agreement, this does not remove the original person from the signed lease. **No paperwork or sublease fee will be accepted in the office until all the paperwork is complete.**

Below is an explanation on how to fill in the blanks on the paperwork.

Sublease Agreement:

1. The apartment address.
2. The person who wants to live in the apartment and the person who is currently listed on the original lease.
3. Signature from the person who wants to live in the apartment and date.
4. The amount of the security deposit that was paid at the time of the lease signing, and the person who originally signed the lease. Then, who the deposit will be refunded to at the end of the lease.
5. The date that this agreement will go in effect.
6. Signature from everyone who originally signed the lease.
7. **There must be a \$0 balance on the account for the sublease to be complete.**
